

Cumberland County

Women's Hall of Fame, Inc.

Dear Nominator,

The Nominations Committee of the Cumberland County Women's Hall of Fame welcomes you to the committee's 2027 selection process. At the end of the selection process, inductees from the many women nominated will be chosen. The names of the new inductees will be announced in November. The gala induction ceremony will be held on March 17, 2027. The inductees are expected to attend the ceremony.

Since this is the Cumberland County Women's Hall of Fame, the nominee must have been born, raised, or employed in Cumberland County. Her trailblazing achievements or outstanding contributions in her chosen career path must impact have and or challenged the status quo. Her nominating achievement or contribution must demonstrate an innovating or forward-thinking accomplishment in her field. For instance, a previous inductee is an educator as noted in the program book, "... created the transition to kindergarten program that helps children who need additional support to become academically successful." Another inductee condensed a 26 week training program into a youth week camp to encourage young people in finding a career path.

There are many hardworking and committed women in our community. The CCWHOF seeks women who have made enduring contributions that leave a legacy. The level of education does not matter; what does matter is the significance of accomplishments.
